FAQ and PROGRAM OVERVIEW:

Q: What is SI Spirit All Star Cheerleading?

A: All Star cheerleading is a competitive sport that involves boys and girls ages 3-18 performing a routine composed of tumbling, stunting, pyramids and dance segments. This routine is performed and scored against other competitive teams at various local, regional and national competitions. This allows your child to grow and develop as an athlete and learn the values of responsibility and team work from our professionally trained coaching staff.

Q: How do you select and place athletes at tryouts?

A: We select teams to be the most competitive in each level. We base these placements on physical ability (jumps, tumble, motions, etc.), as well as past cheer experience. Team placements are to be made at the discretion of the coaching staff based on ALL abilities, not solely tumbling.

Q: How much will it cost?

A: Depending on the team your child qualifies for, pricing varies. We have attached complete price breakdowns for your reference.

Q: How many days a week do we practice?

A: Depending on the team, teams practice between 1 - 3 days a week, not including tumbling. However, there are times when extra practices may be added. All extra practices are mandatory.

Q: What traveling is involved?

A: We will release a competition schedule by September. Most competitions will be within driving distance (such as, but not limited to Baltimore, Philadelphia, Atlanta Georgia etc.) with the exception The Summit in Orlando, FL. (*for qualifying teams only*). For all sleep away competitions you must arrive Friday night. All competitions and events are mandatory to attend. Some competitions require flights.

Q: What kind of commitment is SI Spirit All Stars?

A: All athletes are expected to attend every practice and all choreography, camps & clinics. All competitions are mandatory. Failure to attend a competition will result in immediate dismissal from the program.

Q: USASF Age Grid for the 2020-2021 season.

A: See attached age grid from USASF

Q: What is the difference between Prep & Non-Prep All Star?

A: All Star prep was started to offer a program that is generally less expensive, less commitment and an introductory step into non-prep all star. Prep teams may practice less days a week and have less demanding requirements. They will wear the same uniform as traditional teams and compete at all the same events with the exception of The Summit. Prep teams will only compete 1 day at any 2 day national events.
